

USA Boxing Official's Recruitment Form

USA Boxing, Inc., is in need of amateur boxing officials. This is a volunteer opportunity, for which there is no compensation, except for the enjoyment of being involved in this great sport. All volunteers are trained in all aspects of officiating in amateur boxing. This includes learning the duties of the Glove Table, the Clerk, the Jury, the Timekeeper, the Judge, and Referee. If you are interested in becoming an official, please fill out the form below **completely** with clear **legible** print. Afterwards, return it to the official's table at ringside. You will be contacted and informed of the date of the next registration and certification clinic.

USA Boxing is a non-profit organization and all expenses you incur while participating in USA Boxing are tax deductible such as the purchase of uniforms, cost of gas, mileage and meals for each event and/or certification clinics you attend. If you have any questions, please feel free to ask one of the officials at ringside. They will be happy to answer any questions that you may have. More details will be given to you at your first registration/certification clinic.

After speaking to one of the officials at ringside, they will help guide you in preparing for the educational process. The educational process begins with an initial Level 1 certification clinic. This is where it all begins, this clinic will help you in deciding if this is something for you and in what capacity: Timekeeper, Judge, Referee. A handy "2009 Basic Rules & Hints for Beginning Officials" guide has been developed for this initial step.

This helpful guide can be accessed by going to: www.usaboxing.org. Click on the "Resources tab". Go to "For Officials". Download the attachment "2009 Basic Rules & Hints for Beginning Officials". You will find the basic rules of officiating in this guide along with a practice exam. Next, download the "Level 1 Certification Form."

We encourage all new officials to go through this process and to also fill out the Level 1 Certification Form to the best of their ability. Please remember to bring it with you to your initial clinic.
