Governing Rules: 2007 Horse Management Guidebook & 2006 Tetrathlon Rulebook

Championships Qualifications:

Individuals will be selected following the conclusion of the qualifying Rally and after consultation with the RS, Vice RS- Rallies, and any other appropriate individuals. The Vice RS- Rallies coordinates observation at games, dressage, show jumping, eventing and tetrathlon rallies to determine overall safety of the horse(s) and rider(s) for competition at the National level. The purpose is to eliminate any horse/rider combination that is blatantly unsafe. Team selection will be based on placement in the scoring, safety considerations, maturity level, sportsmanship history, stable management performance at rallies, readiness for Championship level competition and any other factors affecting the chances of a successful team experience for all involved. Competitors with any sportsmanship points, more than 10 horse management points will not be invited by the RS to compete at Championships.

No competitor may change to another discipline once he/she has completed the paperwork and has paid the entry for Championships. No competitor with outstanding debts owed to their club, the region or the national pony club will be permitted to enter the National Championships. It is the obligation of the club DC and treasurer to notify the RS if these conditions exist.

It is expected that the Championships competitor, their parents and their DC have carefully read the qualifying guidelines for the discipline in which they hope to qualify, and are thoroughly familiar with the rules and qualifying criteria for that discipline.

Selection criteria.

The top placing individuals in each division meeting the national and regional selection criteria may be invited by the RS to compete at the National Championships. Qualifying competitors must have earned at least 2200 points at the regional rally and at least 700 points in the riding phase.
