

**What are the deadlines associated with payment of the annual USA Volleyball National Officials' Commission dues?**

All **National Referees**, **National Scorekeepers** and **Junior National Referees** must submit the annual Officials Commission dues by **November 1** of each year for the next season. Dues postmarked after **November 15** are subject to a 100% late fee. If dues are not postmarked by **December 31**, the National level certification(s) may be revoked.

1. Individuals holding a single indoor rating of **National Referee**, **National Scorekeeper** or **Junior National Referee** from the USA Volleyball Officials' Commission will pay \$40. The definition of a single rating is based on the ratings that you have attained by October 1.
2. Individuals who hold multiple ratings (indoor or outdoor) will pay \$40 for the National Officials' Commission dues.
3. **National Junior Scorekeeper** is NOT considered a rating for fee calculation purposes. Any **National Junior Scorekeeper** who holds no other rating pays no National Official's Commission dues. An individual who holds a **National Junior Scorekeeper** rating and one (or more) additional National rating pays \$40.
4. An individual who holds only a National beach rating pays no fees to the Officials Commission. An individual who holds a National beach rating along with an indoor rating pays \$40.
5. **National Referees** and **Junior National Referees** may also pre-pay to attend a National Referee Clinic. The pre-payment fee is \$15.

A completed **National Officials Commission Dues Form** and a check payable to USA Volleyball for the amount of the dues and National Referee Clinic pre-payment fee should be sent to:
