

How do I view and/or change my personal information in the USA Volleyball Webpoint membership database?

Go to <https://webpoint.usavolleyball.org/wp15/IntraLock/Login.asp> and enter your username and password. If you do not know this information, contact [George Egan](#).

After login, click on the **“my information”** tab on the left side of the screen. This will bring up a screen where you can update your personal information. When complete, remember to click on the **“edit contact”** info at the bottom of the screen to ensure that the new information is saved.

NOTE: You may also search for the contact information of other National-level officials by selecting **“search officials”** tab on the left side of the screen.
