

What are the annual National Officials' Commission Dues?

All National-level USAV Officials (***National Scorekeepers, National Referees*** and ***Junior National Referees***) are required to pay annual dues of \$40 to the National Officials' Commission. This is in addition to what you pay to your region for insurance and membership purposes. The \$40 National Officials' Commission dues fund the re-evaluations that each National Official receives at a National tournament during a certification term along with the development of the National clinic that each National Official needs to attend each year.

You **MUST** complete an Officials' Information/Renewal Form and return it with a check in the amount of \$40 payable to USA Volleyball to the address listed on the form in order to receive payment credit of your annual dues. You can access either a PDF or Microsoft Word version of the Officials Information/Renewal form on the USA Volleyball website (www.usavolleyball.org). You may select whichever is easiest for you to access.

If the dues are not POSTMARKED by **November 15**, a National Official will be subject to a late fee of \$40 (total due: \$80). If the dues and late fee are not POSTMARKED by **December 31**, a National Official will be subject to loss of your national level certifications.
