

APPLICATION FOR QUALIFYING TOURNAMENT SANCTION

A Tournament Sanction designates an event as a qualifying tournament. Scores achieved at these events will be recognized as qualifying scores needed for participation in specified events, for qualification to national and international teams and for funding purposes.

In order to be sanctioned as a qualifying event, the event must have at least three participants and must follow FITA rules. USA Archery reserves the right to refuse scores shot at events that do not comply with these regulations. Application and fee must be received prior to the event. If you have any questions, please contact USA Archery at 719.866.4621 or email cmccartney@usarchery.org.
