This is prior to the 2011 USAT Senior National Taekwondo Championships. That being said, it is likely that 2010 State Championships, 2010 National Qualifiers and 2010 Senior Nationals World Class division will play a major role in qualifying athletes for the 2011 Pan Am Games Team Trial which must take place prior to the Pan Am Games Qualification Tournament.

We will post the final approved Pan Am Games Selection Procedures as soon as possible. For questions or concerns, please contact Meredith Miller at the USA Taekwondo office at 719-866-4632 or meredith.miller@usa-taekwondo.us.

8. USAT POINT SYSTEM:

2010 will be the inaugural year for the USA Taekwondo Domestic Point System. The purpose of the system is to facilitate meaningful competition on a national scale that rewards USA Taekwondo athlete members at all skill levels for both participation and achievement at USA Taekwondo and USA Taekwondo-Sanctioned Events during each event year.

For the 2010 calendar year, points will be earned in sparring only; poomsae and sport poomsae will eventually be added. Accumulated points will be scaled according to the importance/size of the approved event and the achievement of the athlete. For black belt sparring 12 and older, points will be awarded to the age and weight class in which the athlete competed. For all other divisions, points will be awarded to the age/belt color in which the athlete competed. All points accumulated in 2010 will expire at the end of the calendar year. The points earned by each athlete will be used in various manners throughout the year. In an effort to avoid randomized seeding at the 2010 Junior Olympics and National Championships, total points accumulated at that point in the year will be used for seeding purposes, with the exception of 14-17 and 18-32 black belts. Additionally, points will be used to award athletes with the highest point totals in their division and clubs with the most overall points.

Below is the point grading chart that explains the points available at approved USAT events:

<u>Event</u>	<u>1st Place</u>	<u>2nd Place</u>	<u>3rd Place</u>	<u>Quarters</u>
