Olympic Round Awards and JOAD National Grand Champion Awards will be given out following Sundays Rounds.

There may be variations in the schedule. Final schedule will be based on actual registrations.

Our goal is to run the tournament timing as close as possible to the above schedule, however, weather delays, protests, and/or other situations may arise beyond our control. The organizers reserve the right to modify the tournament format, if necessary. Announcements will be made at the field, during Team Meetings and posted at the venue and on the website.

The Olympic Rounds (OR) using the set system competition may extend up to sunset on Sunday June 27, 2010. If the tournament is stopped before completion, then the current archer standings at that time will be considered final.
