

## LIFE MEMBERS

Life Members who would like to use their free admission for themselves and a guest can either contact the USAT Membership Office ahead of time or use this service at the event.

Prior to an event, you can email or call the USAT Membership with your name and your guest's name. Then, at the event you and your guest will need to pick up photo passes at the registration desk.

If you do not contact the USAT Membership Office ahead of time, you can still pick up passes for you and your guest at the Event Registration Desk, but your guest will need to accompany you. If you are not at the event and you do not give the information in advance, you will not be able to assign your guest pass.

This free pass is non-transferable and can only be used for the Life Member and the guest designated. The free admission pass can only be used to get into the event, but does not give access to the competition floor or allow you to compete or coach. If you want to compete or coach you will need fill out a separate application and pay the necessary fees.

If you have any questions about this benefit or other USAT membership benefits, please contact the USAT Membership Department. Thank you for your support.
