

U.S. Paralympics
ATHLETE SELECTION PROCEDURES
2011 UCI Para-Cycling Road World Championships
October 18, 2010

I. SELECTION SYSTEM

A. Provide the minimum eligibility requirements for an athlete to be considered for nomination to the Team:

1. Citizenship:

Athletes must be a citizen of the United States at the time of selection and hold a valid U.S. passport that will not expire for six months after the conclusion of the competition.

2. Minimum International Federation (IF) standards for participation (if any):

a. Racing License: Each athlete must hold a current USA Cycling racing license (www.usacycling.org).

b. Athletes must be at least 18 years of age as of January 1st 2011.

3. Other requirements (if any):

a. At the time of nomination an athlete must have an IPC/UCI International Classification with an international sport class status of R-Review or C-Confirmed, or if there has been no opportunity for the athlete to be internationally classified, the athlete must be evaluated by USOC medical and /or Paralympic staff and determined likely to classify in the sport class in which he would be qualified for the Team; provided that athletes with an international sport class status of N-New are allowable for entry on the official team nomination into this competition. A description of sport-specific classification requirements and current athlete classification status can be found at the UCI website at www.uci.ch.

B. Tryout Events:

1. Provide the event names, dates and location of all trials, events and camps to be used as part of the selection process.

USA Cycling Elite, U23 & Junior Road Championships
June 21 - 26, 2011
Augusta, GA

2. Provide event names, dates, locations and description of how athletes qualify for any "preliminary or qualifying" events or procedures that are prerequisites to attend any of the trials, events or camps listed above in B. 1 (if any).

No preliminary or qualifying events are required.

- C. Provide a comprehensive, step-by-step description of the method that explains how athletes will go through the selection process to become Team nominees (including maximum Team size).

Athletes will be nominated to the team based upon performances at the 2010 UCI Para-Cycling Road World Championships ("2010 Worlds") and the 2011 USA Cycling Elite, U23 & Junior Road Championships ("Road Championships") June 21-26, 2011 in Augusta, GA. Men and women will be considered separately.

1. First, any 2010 World Road Champions will be nominated to the team per UCI Rule 16.21.003 (<http://www.uci.ch>). Selections will be made with a Start Right in the medal Event(s) and the opportunity to compete in additional events where open start positions are available.
2. The remainder of the team will then be nominated from results of the Road Championships. No more than three (3) athletes from any one racing classification will be nominated to the Team. If three (3) athletes in any single racing classification are nominated to the Team, additional athletes from that classification will be placed on a list of replacement athletes ("Replacement List").
3. Nominations will be based on results (see C.5. below) in the Road Time Trial.
4. All finish times will be converted to a "Result" by expressing it as a percentage of the 2011 U.S. Paralympics National Standard (Attachment A) for that event. (An event refers to the competition within a Paralympic racing classification - e.g. the Men's C5 Time Trial). All results will be rounded to the nearest one tenth of a percent. Lower percentages are better than higher percentages (97% beats 99 % beats 103%).

$$\text{Result} = (\text{finish time}/\text{National Standard}) \times 100$$

5. The nomination ranking list ("Ranking List") will include all Results for all athletes, ordered from lowest percentage (best) to highest percentage. 2010 World Road Champions already nominated (see C.1 above) will not be shown on the final team selection ranking list. All athletes nominated to the team from the Ranking List as detailed below must have a performance (Result) within 10% of the lowest percentage (best). Nomination to the Team will follow the steps outlined as follows, in priority order:

- a. The athletes with the top five (5) bicycle/tandem Results on the men's Ranking List will be nominated to the Team.
 - b. The athletes with the top three (3) handcycle/trike Results on the men's Ranking List will be nominated to the Team.
 - c. The athletes with the top three (3) bicycle/tandem Results on the women's Ranking List will be nominated to the Team.
 - d. The athlete with the top handcycle/trike Result on the women's Ranking List will be nominated to the Team.
 - e. Athletes who meet the eligibility criteria for discretionary selection may be nominated to the Team via the discretionary selection procedures detailed in Section II below. Up to a maximum of five (5) athletes per gender may be nominated to the team using discretionary selection.
6. If a tie exists at any point during the nomination process for the final slot in a racing classification, each athlete's next best Result will be used to break the tie. If a tie persists or if neither athlete has a second Result then each athlete's best Result (scored against the 2011 U.S. Paralympics National Standard) from the 2010 USA Cycling Elite, U23 & Junior Road Championships will be considered to break the tie. If a tie persists, nomination will be determined by head to head competition at the U.S. Paralympics August training camp in Colorado Springs in all events for which the athletes are eligible, scored as the sum of all Results from that head to head competition. The schedule for any such competition shall be the responsibility of U.S. Paralympics.
 7. Team Nominations will be announced by July 1, 2011 at www.usparalympics.org.
 8. Athletes nominated to the Team must notify U.S. Paralympics of their intention to compete in the 2011 UCI Para-Cycling Road World Championships by signing and returning the Team Agreement via e-mail, fax or U.S. Mail by July 6, 2011.
 9. The Team will be finalized by U.S. Paralympics and submitted to the UCI and the World Championships Organizing Committee by the published entry deadline date.
- D. Provide the names of all committees/groups who oversee the selection process, including the names and titles of the current members.

Craig Griffin - Director, Cycling High Performance, USOC Sport Performance
Julie O'Neill - Team Leader, USOC Sport Performance
Jamie Martin - Manager, National Teams, USOC Sport Performance
Pam Fernandes - Athlete Representative

II. DISCRETIONARY SELECTION (if applicable)

A. Provide rationale for utilizing discretionary selection (if any):

The purpose of discretionary selection is to allow U.S. Paralympics the ability to nominate the best physically, psychologically, and technically prepared athletes to the 2011 UCI Para-Cycling Road World Championships Team who are capable of a top three (podium) result, who can positively impact team performance, or those who are considered to be on track to produce a top three result in the near future. Additionally, discretionary selection can be exercised to ensure UCI Nations Ranking Points are maximized in each disability class.

The U.S. Paralympics Discretionary Selection Committee for Cycling will evaluate and recommend athletes to be nominated to the team via discretionary criteria, in order to field the strongest, most sound, and medal-capable team for the 2011 UCI Para-Cycling Road World Championships.

B. List the discretionary criteria and explain how they will be used (if any):

Performance criteria used to evaluate athlete performance for discretionary selection are as follows.

1. The athlete(s) experienced an injury or illness that impeded maximal performance in one or more of the qualification competitions;
2. The athlete(s) experienced equipment failure, weather, interference, or other external factors, either natural or caused by others, that impeded what otherwise likely would have been a qualifying result;
3. The athlete is the current world record holder in the event for which he/she is being nominated;
4. The athlete won a medal in the event at the 2010 UCI Para-Cycling Road World Championships, 2009 UCI Para-Cycling Road World Championships, or 2008 Paralympic Games;
5. The athlete is one of the top two ranked Americans in the UCI athlete Ranking list or could maximize UCI Nations Ranking Points for their respective disability class;
6. The athlete met a 2010 U.S. Paralympics National Team Standard in 2010 prior to the 2010 team selection event;
7. The athlete is eligible and is likely to fill a position in the H1 - 4 Team Relay;
8. An athlete who demonstrates a trend of improving performance in international competition, that when extended a reasonable distance into the future, intersects the current international performance standards for a top three (podium) finish.

C. Discretionary Selection Committee

Provide the name of the committee that will be responsible for making discretionary selections, along with a complete list of the members currently serving on the committee and their titles:

See I.D. above.

III. REMOVAL OF ATHLETES

- A. Prior to acceptance of nominations by the USOC, U.S. Paralympics has jurisdiction over potential nominees.

An athlete who is to be nominated to the Team by U.S. Paralympics may be removed as a nominee for any of the following reasons, as determined by U.S. Paralympics:

- Voluntary withdrawal. Athlete must submit a written letter to the Associate Director, Cycling High Performance.
- Injury or illness as certified by an approved U.S. Paralympics physician (or medical staff). If an athlete refuses verification of his/her illness or injury by an approved U.S. Paralympics physician (or medical staff), his/her injury will be assumed to be disabling and he/she may be removed.
- Violation of the U.S. Paralympics Code of Conduct (Attachment B).

An athlete who is removed from the Team pursuant to this provision has the right to a hearing per the USOC's Bylaws, Section 9.

- B. After acceptance of nominations by the USOC, the USOC has jurisdiction over the Team under the USOC Code of Conduct and Grievance Procedures. This occurs no earlier than 45 days and no later than 30 days prior to the Opening Ceremonies of the Games (unless expressly waived by the USOC).

A Team member who is accepted by the USOC is subject to the USOC Code of Conduct and Grievance Procedures.

- C. An athlete may be removed as a nominee to the Team or from the Team at any time for violation of IOC, PASO, IPC, WADA, IF, USADA and/or USOC anti-doping protocol, policies and procedures, as applicable. In such instances, the adjudication process will be managed through the United States Anti-Doping Agency.

IV. REPLACEMENT OF ATHLETES

- A. Describe the process by which the replacement pool of athletes will be identified:

The replacement pool of athletes will be those athletes on the Replacement Athlete List or on the Ranking List described in Section I.C.

- B. Describe how the replacement athlete(s) will be selected, should a vacancy occur:

If an athlete nominated to the Team is removed from the Team by any of the provisions above, athletes on the Replacement Athlete List will be considered for nomination first using the published procedures for selection in I.C. If no Replacement Athletes are eligible to fill the vacancy, then the next eligible athlete from the Ranking List will be nominated to the Team.

V. SUPPORTING DOCUMENTS

U.S. Paralympics will retain the approved Selection Procedures and all supporting documents, including scouting or evaluation forms, etc., and data from the selection process for six months past the date of the Closing Ceremonies of World Championships.

UNITED STATES OLYMPIC COMMITTEE COMPLAINT PROCEDURES FOR U.S. PARALYMPIC NATIONAL TEAMS AND U.S. PARALYMPIC PROGRAMS January 7, 2008

Section 1. Jurisdiction.

These Complaint Procedures are applicable to those Paralympic sports in which the USOC has not recognized a National Governing Body or a Paralympic Sport Organization to govern the sport. Only matters concerning those Paralympic sports fall within the jurisdiction of these Complaint Procedures.

Section 2. Designation of Complaints.

The following kinds of complaints may be filed with the USOC:

- a. Administrative Grievance. The USOC or any aggrieved individual may file a complaint pertaining to any matter relating to the cognizance of the USOC, including but not limited to any alleged violation of or grievance concerning any USOC rule, regulation or code of conduct.
- b. Right to Compete. Any athlete, coach, trainer, manager, administrator or official may file a complaint pertaining to any alleged denial, or alleged threat to deny, of that individuals opportunity to compete in a USOC sponsored competition.

Section 3. Manner of Filing.

The complainant shall file the complaint with the USOC Chief Executive Officer. The complaint shall set forth in clear and concise language, preferably in numbered paragraphs: (i) the alleged violation, grievance, denial or threat to deny and (ii) the remedy requested. The complainant shall sign the complainant.

Section 4. Statute of Limitations.

A complaint filed under these Complaint Procedures shall be filed within one hundred and eighty (180) days of the occurrence of the alleged violation, grievance, denial or threat to deny.

Section 5. Field of Play Decisions.

The final decision of a referee during a competition regarding a field of play decision (a matter set forth in the rules of the competition to be within the discretion of the referee) shall not be reviewable through the procedures for, or the subject of, Administrative Grievances or Right to Compete Complaints unless the decision is: (i) outside the authority of the referee to make or (ii)

the product of fraud, corruption, partiality or other misconduct of the referee. For purposes of this Section, the term “referee” shall include any individual with discretion to make field of play decisions.

Section 6. Hearing Panel.

Upon the filing of a complaint, the USOC Chief Executive Officer shall appoint a hearing panel consisting of three (3) individuals to hear the complaint. The Chief Executive Officer shall also appoint a chair of the hearing panel from among the three individuals appointed. At least one member of the hearing panel shall be an athlete.

The Hearing Panel shall be responsible to ensure that all complaints are heard in a timely, fair and impartial manner.

Section 7. Administration.

The USOC General Counsel’s Office shall generally administer and oversee all administrative grievances and right to compete matters filed with the USOC.

Section 8. Conduct of the Proceeding.

The hearing panel shall rule on all motions and other matters raised in the proceeding. If the complaint is not dismissed, the hearing panel shall hold a hearing on the complaint. The hearing panel shall set such timelines and other rules regarding the proceeding and the conduct of the hearing as it deems necessary. The hearing shall be informal, except that testimony shall be taken under oath.

The hearing may be conducted by teleconference, if necessary or convenient to the parties. Each party shall have the right to appear personally or through a legal representative. All parties shall be given a reasonable opportunity to present and examine evidence, cross-examine witnesses and to present argument. Members of the hearing panel shall have the right to question witnesses or the parties to the proceeding at any time.

Any party may have a record made of the hearing. A court reporter may be present at the hearing at the request of a party. The court reporter shall be paid for by the party requesting the court reporter, or if mutually agreed, the cost may be equally divided. Any transcript shall be paid for by the party requesting the transcript.

Section 9. Expedited Procedures.

Upon the request of a party, and provided that it is necessary to expedite the proceeding in order to resolve a matter relating to a competition that is so scheduled that compliance with regular procedures would not be likely to produce a sufficiently early decision to do justice to the affected parties, the USOC Chief Executive Officer is authorized to order that the complaint be heard and decided within forty-eight (48) hours of the filing of the complaint. In such a case, the hearing panel is authorized to hear and decide the complaint pursuant to such procedures as are necessary, but fair to the parties involved.

Section 10. Complaints Involving Selection to Participate in a Competition.

Where a complaint is filed involving selection of an individual to participate in a competition, the complainant shall include with the complaint a list of all other individuals, together with their contact information, that may be adversely affected by a decision rendered on the complaint. The hearing panel shall determine which additional individuals must receive notice of the complaint. The complainant shall then be responsible for providing appropriate notice to these individuals. Any individual so notified then shall have the option to participate in the proceeding as a party. If an individual is notified of the complaint, then that individual shall be bound by the decision of the hearing panel even though the individual chose not to participate as a party.

Section 11. Decision.

A decision shall be determined by a majority of the hearing panel. The hearing panel's decision shall be in writing, shall state the reasons for the decision and shall be distributed to the parties.

Section 12. Arbitration.

Any party may appeal a decision of the hearing panel to the American Arbitration Association. The arbitrator appointed by the American Arbitration Association shall have the authority to hear the matter anew or if requested by a party to render a decision on a more limited review. Either party may submit the decision of the hearing panel to the arbitrator for the arbitrator's consideration. The arbitrator may give whatever weight or authority to the hearing panel's decision as the arbitrator deems appropriate.
