## REFUND POLICY

Any team that is denied entry into the USA Open Championship will receive a full refund.

If a team submits an entry form and the appropriate entry fee for one of the United States national tournaments, and withdraws **PRIOR TO** the closing date for entries, that team will receive a 50% refund of its entry fee.

**NO ENTRY FEE, OR ANY PORTION OF SUCH FEE,** will be refunded to a team that withdraws from this Event **AFTER** the deadline date.

USAV shall issue **NO REFUNDS** when an individual or a team decides not to attend, or is unable to attend, a USAV event for reasons pertaining to acts or threats of war, acts or threats of terrorism or a health risk alert.

When a USAV event is canceled or interrupted due to acts or threats of war, acts or threats of terrorism, or a health risk alert, event entry refunds will be made to individuals or teams on a prorated basis once all of USAV's out-of-pocket expenditures for the canceled or interrupted event have been settled from such fees.

## ENTRY LIMITATION

It may be necessary to limit the number of entries into one or more of the championship tournaments because of the anticipated number of entries into this year's Event. The USAV Events Department reserves the right to establish an entry limitation in the best interests of the tournament, the Event and participating teams once the guarantee has been satisfied (see below).

- The guaranteed maximum number of teams that will be accepted into the US Club tournaments is 48 per tournament per session.
- The guaranteed maximum number of teams that will be accepted into the Masters and Seniors tournaments is 24 teams per tournament per session.

**MINIMUM NUMBER OF TEAMS ENTERING A TOURNAMENT:** A minimum of six (6) teams is required to conduct the championship tournament in **ALL** US Club National Championship Tournaments. In all other US National Championship Tournaments (i.e., Open, Co-Ed, U-Volley, Masters and Seniors), a minimum of five (5) teams is required to conduct the championship tournament.

**EXCEPTIONS:** A non-championship tournament may be conducted with four (4) teams entering if all four teams agree to participate (it must be unanimous) for all Women's 60 & Over, Women's 65 & Over, Women's 70 & Over, Men's 75 & Over and U-Volley tournaments. In NO case will a tournament be conducted with three (3) or less teams. A non-championship tournament will **NOT** have awards, All-Tournament selection or a national championship declaration. This exception only applies to tournaments within five (5) years from the date of the inaugural tournament.

## GUARANTEED ENTRIES

The USAV Operating Code stipulates that each USA Regional and Member Organization is guaranteed the entry of one team in each US Club tournament (AA, A, BB, B) provided the criteria listed below are met:

1. the entry is received by the National Office on or prior to the published deadline date and
2. the organization's administrative fee(s) has been submitted as prescribed by the USAV Operating Code.

The 2009 guaranteed entries for each US Club tournament total 48 and are divided according to the formula below:

- |   |          |
|---|----------|
| 1. one entry per region x 41 regions            | 41 teams |
| 2. one extra entry for the host region          | 1 team   |
| 3. six entries divided among the top 4 regions* | 6 teams  |

\* If multiple regions are tied for 4<sup>th</sup> place, ties will be broken based upon last year's participation, then previous year, and then previous year's membership numbers.

In the event a tournament does not fill to capacity, the unused courts scheduled to accommodate a full tournament may be used to accept teams in an over-subscribed tournament in the same session. Teams may be added to the guaranteed number of 48 in increments of six (6) according to the following guidelines (i.e., 48 – 54 – 60 – 66 – 72 – 78):

1. The total number of entries that meet the application deadline from each region is calculated
2. If there are too many teams for the tournament, one entry from each region that has more entries than their guarantee will be rejected in decreasing order of excess over guaranteed entries

We are asking the organization's executive / RVA commissioner to designate their region's guaranteed team entry into each tournament according to the following deadline:

- Men's & Women's Club (AA, A, BB, B) **MAY 1, 2009**

**Default Action:** Should there be more than one entry in a tournament from an organization and the guaranteed team is not designated, the USAV Events Department will assume the guaranteed team will be the first one received for that tournament.

In case of ties, the region with the greater historical participation percentage in that particular club tournament over the last three years will have preference for having an extra team added.

## PARTICIPANTS' CODE OF CONDUCT

All USA Volleyball registered participants are required to sign the Participants' Code of Conduct when they originally register with USA Volleyball through whatever method.

The Member Organization, which the player / team represents, is responsible to clarify all questions pertaining to the eligibility of entrants for this Event. The approving Member Organization has jurisdiction over all eligibility issues up to the date a team / participant arrives at the championship city, or 48 hours in advance of the first day of competition, whichever is earlier. For the 2009 USA Open and Volleyball Championship Events the first day of competition is May 23<sup>rd</sup>.

The Regional Commissioner / Organization Executive has the responsibility to ensure that all eligibility questions are completely satisfied prior to the approval of a roster and entry application.

Player Verification: The Championship Committee will be conducting random and periodic ID checks during competition. Teams should have ID and RVA membership verification documents for each playing and non-playing participant on the roster at all times during competition. It is to be shown upon request to an authorized representative of the Championship Committee.

Effective on Thursday, May 21<sup>st</sup> (or earlier if a team / participant arrives in Atlanta prior to May 21<sup>st</sup>) the Event Arbitrator will be responsible for all questions of ethics and eligibility relevant to the Event.

## ROSTERS

For all events (i.e., the USA Open, Co-Ed, U-Volley and the USA Volleyball Championship events), a maximum of fifteen (15) playing and five (5) non-playing participants may be listed on the roster. PLEASE NOTE: Individual participant awards are limited to twelve (12).

A participant may serve in more than one capacity during each tournament in which they are registered to participate, (i.e., player, team representative, captain, head coach, assistant coach, manager / trainer). All participants listed on the roster must be registered with the USAV Member Organization / RVA they represent and USA Volleyball, or their own national volleyball federation.

**IMPORTANT:** Membership **MUST BE VERIFIED** for all individual participants entering the USA Volleyball Championship, Open, Club, Masters/Seniors, U-Volley and Co-Ed Events!

Team Representatives are responsible to ensure their team's participants have registered with USA Volleyball through their Region or Member Organization prior to their arrival at the Event. A photo ID may be necessary to establish identify and age of players at the team check-in and during random checks at the court during competition.

## RANKING ENTRIES AND SEEDING INFORMATION

It is important that each RVA or Member Organization rank entries in each tournament if more than one (1) entry. This will serve the following purposes:

1. Assists with the seeding process
2. Identifies which team receives the guaranteed entry from the region if more than one team submits an entry in a tournament.

*Team Representatives should complete the “**Ranking / Seeding Information Form**”, attach it to the Official Entry Form and Entry Fee and send either directly to the USAV National Office or to their Region Office as applicable.*

Upon receipt of the entry form, entry fee and ranking / seeding form, Commissioners or Organization Executives will review and verify membership and dates of birth (if applicable) for all participants identified on the roster. With the on-line verification and signature on the Entry Form, the Regional Commissioner or Organization Executive is certifying that all participants are currently registered within that region's or organization's jurisdiction as required in the 2009 USA Open Championships Pre-Tournament Manual.

For a conglomerate team (Open, Co-Ed, U-Volley, Seniors and Masters), team representatives should verify membership of players by following the procedure below pertaining to age and membership verification of out-of-region players.

*No team will be accepted until the USAV Events Department has received the COMPLETED original form with the Official Entry Form.*

Commissioners or Organization Executives will email no later than **April 14, 2009**, the regional rankings for any tournament in which multiple teams have submitted entries to the Championships. This will include the identification of the guaranteed entry for that region for each tournament.

## **AGE & MEMBERSHIP E-MAIL VERIFICATION OF CONGLOMERATE TEAMS**

**A membership and / or age verification e-mail is required for each participant whose USAV registration is completed in a Region other than the Region being represented by the team (out of region).**

**Example:** The Team Representative of a conglomerate team resides in the Rocky Mountain Region. The Team Representative is required to submit a Membership/Age Verification e-mail for each participant who is not registered in the Rocky Mountain Region.

**Team Representatives** will submit an e-mail Membership/Age Verification request for each 'Out of Region' participant to the commissioner of the region which contains the following information:

- Identify the team and tournament in the Subject Line of the E-mail
- In the body of the E-mail on line 1, repeat the team name, tournament, and identify the team representative
- On line 2, list the Participants Name, Birth Date, USAV #, participant's region of registration
- The Team Representative's Region will then e-mail the listed participant's region for verification
- The e-mail is returned to the Region of Origin, copying the Team Representative and the USAV National Office at [usavc@usav.org](mailto:usavc@usav.org) or [george.egan@usv.org](mailto:george.egan@usv.org) .

*REMINDER: E-mail verification is only for conglomerate team use.*

**ENTRY & ROSTER CHANGE PROCEDURE**

After the entry form has been submitted, the following procedure is used to request any change to the original entry / roster.

**Team Representatives:**

- Prior to the **May 1<sup>st</sup>** roster change deadline you may re-enter the on-line entry system to access your data using your username and password, complete player data and add the player(s) to your roster. After the **May 1<sup>st</sup>** roster deadline you will need to complete any and all roster changes on-site with proper paperwork. See Chapter 1 for fees associated with adding players to your roster after **May 1<sup>st</sup>**.
- Once participants are added, send an e-mail notification to your Regional Commissioner or Organization Executive so they can enter the system for verification. If added participants are out of region, follow e-mail verification process (see Membership Verification above).

**Commissioners or Organization Executives:**

- Receipt of an e-mail from the Team Representative notifying you of additions to their roster is your signal to enter the system and verify the addition(s).
- By your on-line verification and the submission of the Entry Form, you certify that all participants are currently registered within your jurisdiction as required in the 2009 USA Open Championships Pre-Tournament Manual.
- For conglomerate teams (Co-Ed, U-Volley, Seniors and Masters), your on-line verification certifies only those participants from your Region. E-mail verification is required. The e-mail is generated by the team representative and must follow the example shown above.

## MEMBER ORGANIZATION AUTHORIZATION FORM

This form is to be completed by all US domestic teams who represent USAV Member Organizations other than a USAV Regional Volleyball Association.

## VERIFICATION OF ENTRY IN THE TOURNAMENT

- Electronic entry will indicate acceptance with your team submission in the On-Line System. You will see a “Pending” notice when you first enter your team. A “Yes” replaces the “Pending” once a team has been accepted. A “No” will be seen if a team does not get accepted,.
- ALL teams that submit complete and accurate materials will receive an e-mail notification.
- Teams may check the USA Volleyball website, [www.usavolleyball.org](http://www.usavolleyball.org) to verify their entry.

## REGISTRATION CHECKLIST

**INDIVIDUAL CHECKS** must be written for EACH TEAM or entry will be refused. **ALL** checks must be made payable to **USA Volleyball Championships**. On the Memo line of your check **PRINT** the team name and division.

It is required that you complete all items in this section:

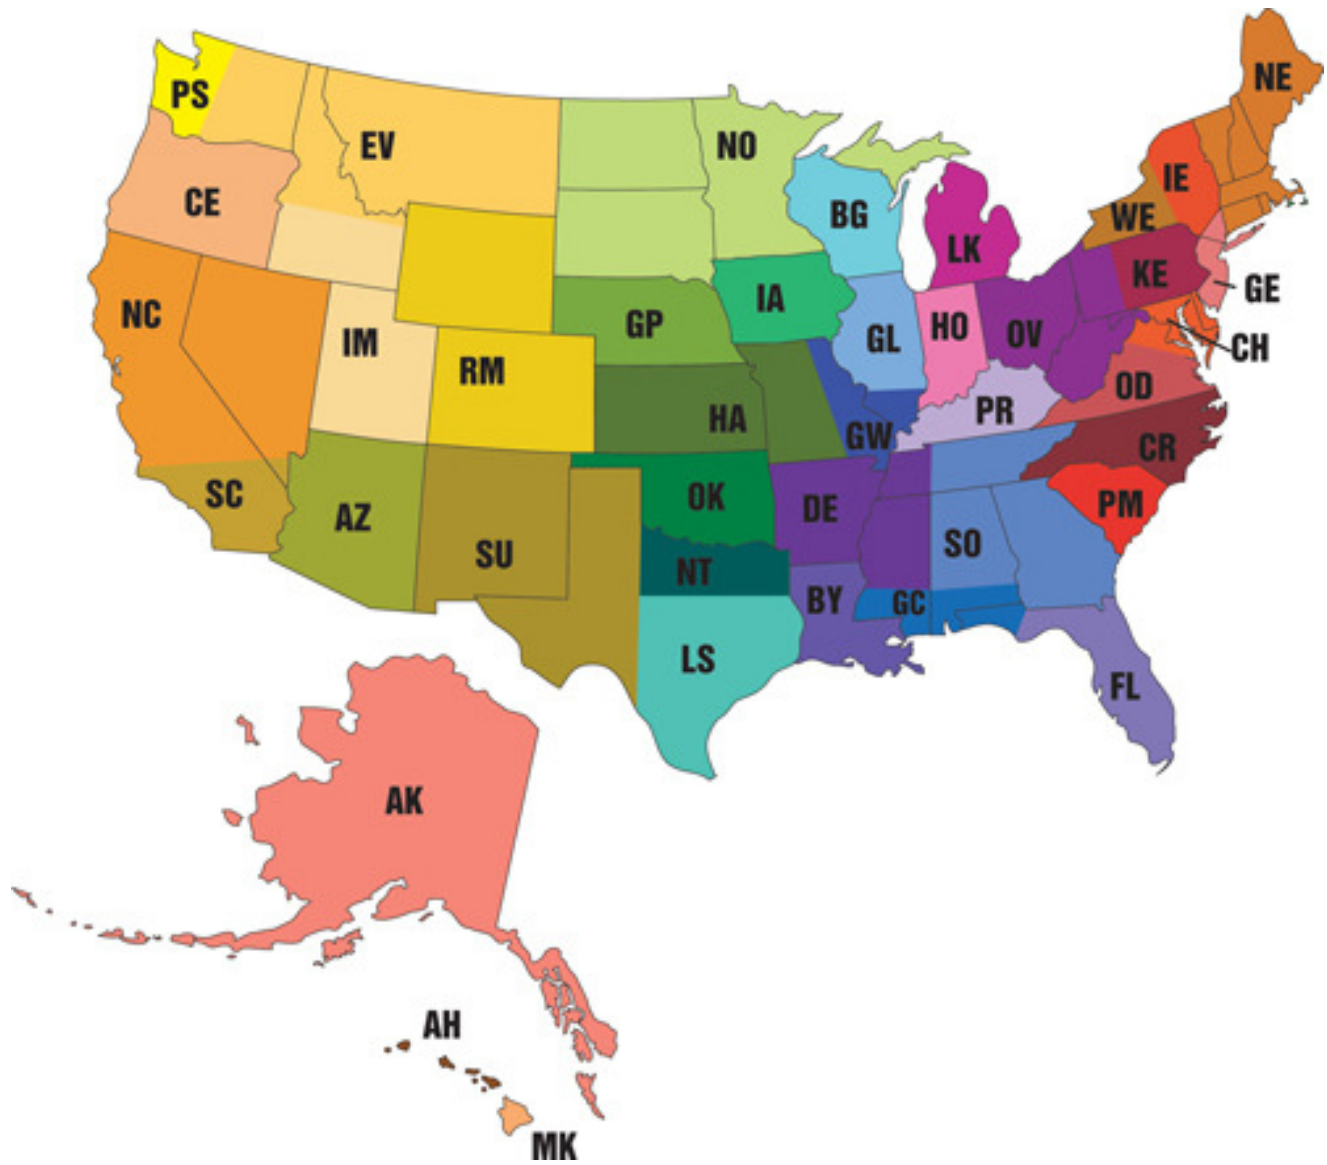

- Enter **2009 US OPEN VOLLEYBALL CHAMPIONSHIPS** through the AES on-line registration system.

  - Notify the National Office by e-mail at [usavc@usav.org](mailto:usavc@usav.org) or [george.egan@usav.org](mailto:george.egan@usav.org) of changes and mail necessary fees to the USAV National Office no later than **May 9<sup>th</sup>**. Any changes after **May 9<sup>th</sup>** will not be accepted at the USAV Office and will need to be presented on site in hard copy form.

### **IMPORTANT NOTES:**

**TEAM REPRESENTATIVE / COACH:** It is your responsibility to make sure your team is properly registered by completing the required forms. The Commissioner or Member Organization designee must have enough time to verify and sign the forms and have it mailed to the **USAV Event Department** by the deadlines set for Region submissions. Check with your Region Office for the Region's deadline. Regions have the ability to set deadlines as they deem necessary to compile and process the entry forms.

**REGIONAL COMMISSIONERS:** As discussed and agreed to at the October meetings, all RVA teams are required to submit their entry forms to the Region Office for verification except for Master/Senior teams. Each Region may set their deadline to accommodate the amount of time necessary to compile and verify entry forms.
