

BASIC INSTRUCTOR RECERTIFICATION APPLICATION

Procedures are simple for renewing your basic instructor certification. Complete this form and forward it to the coach's recertification department at NADA. A \$15 recertification fee is required as well as the name and phone number of a supervisor or someone who can verify your involvement in teaching archery within the past 6 months. Our recertification department will contact them for verification. **Please also include a copy of your current certification card.** If you have not been involved in teaching archery within the past 6 months, you will need to take the Basic Certification course again. To locate a course near you, please visit the "Instructor Training Schedules" link at www.worldarcherycenter.com or call the NADA office at 352-472-2388.
